

# Assessment Tools Workshops

**When: Friday, April 24, 2015**  
**Where: Family Resource Center**  
**4000 N. Cummings St.**  
**Flagstaff, AZ 86004**

## Quality First Points Scale

**Time:** 8:30 am-10:00 am

This training will focus on how to prepare for the Quality First Points Scale assessment. It will focus on staff qualifications, administrative practices, and curriculum and assessment.

## Toddler CLASS Overview

**Time:** 10:00 am-12:00 pm

This training will review the components of the Toddler CLASS tool, used for assessing teacher-child interactions in toddler classrooms. Participants will gain strategies to improve the emotional support and learning experiences in their classrooms.

## Environmental Rating Scales Overview

**Time:** 1:00-2:30 pm

This training will review the components of the Environmental Rating Scales used for assessing infant, toddler, and Pre-K classrooms. Participants will gain strategies to improve the environment, interactions, and program structure of their classroom.

## Pre-K CLASS Overview

**Time:** 2:30-4:30 pm

This training will review the components of the Pre-K CLASS tool, used for assessing teacher-child interactions in Pre-K classrooms. Participants will gain strategies to improve the emotional support, classroom organization, and instructional support in their classrooms.
