Native Americans for Community Action, Inc.

FLAGSTAFF G.O.N.A. EVENT

Gathering of Native Americans (G.O.N.A.) is a wellness & healing curriculum created by Native American Professionals for Native Americans. Through the four GONA components, we will share how to be an active participant in your own life and your community's wellness through interactive group activities (child friendly environment).

Belonging: Building and strengthening the sense of team, family, and community.

Mastery: Gaining mastery and healing from what holds us back.

Interdependence: Working together interdependently for positive change.

Generosity: Giving back to self and to community.

For more information: Carrie Dallas, 928.526.2968 ext. 165 or cdallas@nacainc.org
