

**Coconino Coalition for Children & Youth invites you to the
8th Annual Flagstaff Early Childhood Fair**

Dear Fellow Early Childhood Community Member:

In celebration of young children and to support Flagstaff's Festival of Science, we **thank you** for participating in CCC&Y's 8th Annual Early Childhood Fair in Flagstaff. Because of our wonderful sponsors and volunteers, there continues to be no charge to table at this event. More exciting, this year we will be in the Flagstaff Science Festival passport, in addition to other advertising, so we expect this to be a great event for all vendors.

The theme of the event will be Full "S.T.E.A.M." Ahead, and it will be held in the **Flagstaff High School Commons** on **Saturday, September 29th from 10 AM - 1 PM.**

In order to participate in the event, we ask that you:

- Arrive one hour prior (9am) to the event for set up (**please not earlier than 8:30 am**)
- We will have round tables available for you, **first come first serve** (unless you needed electricity)
- Provide information about your center, agency, or organization
- Conduct an **interactive activity** related to STEAM or provide a service that engages young children, families of young children, and/or early childcare providers that aligns and promotes early childhood best practices.
- A Flagstaff Councilmember will read the proclamation at 10:30am. We ask please that during the proclamation everyone turn their attention to the speakers and minimize noise.
- Once unloaded please park in the far west parking lot area.

If you experience any problem or would like additional information, please email earlychildhoodfairflag@gmail.com . We look forward to your participation in this community event.

Respectfully,

CCCY Early Childhood Fair Planning Committee
