

Domestic Violence and Mental Health:

*Supporting Survivors with Co-Occurring
Issues*

Monday, May 19, 2014

9:00am-12:00pm

Page Police Department
Public Safety Room

808 Coppermine Road, Page, AZ, 86040

This **FREE** Training will highlight the following:
Identify trauma responses and their effects on survivors, provide tools for crisis intervention and advocacy for people with mental illnesses, understand the dynamics of mental illness and the stigma surrounding it, identify the cycle of systemic re-victimization as it relates to poor mental health outcomes, and list available resources.
