

Learning to read begins *before* children start school.

What do children need to learn to become good readers?

Help your child be ready to read with simple activities every day.

Help Your Child Get Ready to Read!

Monday, July 28, 2014
3:00-4:00pm

Community Room @ the Main Library

Learn about the five early literacy practices and what you can do to help develop these skills your children. We will also suggest simple, inexpensive ways these can be incorporated in your everyday routines.
