

# The Flagstaff We Want

For Flagstaff to prosper in its second century, we need a vision and a roadmap that is firmly grounded in the beliefs and opinions of residents and provides a set of common goals that help guide our collective efforts.

SpeakOut AZ, a non-partisan, statewide project, works with its partners in communities to identify, mobilize and empower individuals and organizations to adopt healthy civic habits that reinforce what the majority of Arizonans want for themselves and their state. Our goal is “An Arizona where citizens understand the issues that impact their lives, are involved in local social and civic activities, and vote in every election”.

The SpeakOut AZ Flagstaff Team is currently in the process of trying to determine the FLAGSTAFF WE WANT and to do this we need YOUR HELP.

If you are resident of Flagstaff we need for you to take the ARIZONA WE WANT GALLUP POLL. You can go directly to the poll using this link <http://www.thearizonawewant.org/azpoll>. **PLEASE use the following participate code when you register to take the poll “speakoutflagstaff” (with no punctuation or capital letters).**

The poll takes approximately 15-20 minutes to complete. Upon completion, you will be able to compare your responses to those of your fellow Arizonans right away.

In August 2014 we plan to utilize the results of the poll to help create questions that will be asked of gubernatorial candidates in a N AZ Debate (pending confirmation of candidates). Additionally in Winter 2014 we plan to unveil the Flagstaff We Want (based on the results of the poll) at a Town Hall and then working with you to create and establish an community action plan on how we achieve it.

Thank you for your participation!

P.S. PLEASE INVITE EVERYONE YOU KNOW TO TAKE THIS POLL AND TO BE A PART OF CREATING THE FLAGSTAFF WE WANT!
