

*Help children stay safe from sexual predators*

*“Increase your awareness to Prevent Child Sexual Abuse”*

*Free workshop for parents, staff, and volunteers advocating for children*

*Hosted by North Country HealthCare*

**December 10, 2014  
4:00 pm - 6:00 pm  
Eric’s Community Room - NCHC Flagstaff**

The *Stewards of Children* program will increase knowledge, improve attitudes and change child-protective behaviors. This program is for any responsible adult who cares about the welfare of children. It is also appropriate for youth-serving organizations and personnel.

**This training is FREE of charge and refreshments will be served.**

Topics Covered:

- Facts about the problem of child sexual abuse
- The types of situations in which child sexual abuse might occur
- Simple, effective strategies for protecting children from sexual abuse
- The importance of talking about the prevention of sexual abuse with children and other adults
- The signs of sexual abuse so that you might intervene and be able to react responsibly

What Outcomes You Can Expect:

- Increased awareness of the prevalence, consequences and circumstances of child sexual abuse
- New skills to prevent, recognize and react responsibly to child sexual abuse
- Individual commitment to action via a personal prevention plan
