

The Arizona Department of Health Services Bureau of Women's and Children's Health cordially invites you to hear about the latest data & information on the Health of Women and Children in Arizona.

We want to hear from you about the most important needs in your community. Your input is important and will help determine the priorities of women's and children's health for the next five years!

All meetings listed below are open to the public.
Some locations will offer both an afternoon & evening meeting with the same agenda.
