Spring is almost here! Learn basic tips and tricks about gardening in northern Arizona to get a step ahead of the growing season. *Master Gardener* Willa McAuliffe will take you through information on soils, seeds, garden beds, composting, and more! Gather your questions for a short Q&A session immediately after the class.

Classes must meet minimum number of participants! Please register online at coconino.az.gov/RecPrograms (Program 304) or in-person at Fort Tuthill County Park.
