

Arizona Department of Education

Early Learning Standards

Math Standard Module Training

This training provides an in-depth examination of the Arizona Early Learning Mathematics Standard that will lead to effective planning of quality learning mathematics' experiences for children three to five years of age. Participants will actively explore the Early Learning Mathematics Standard through this module. Through hands on activities, participants will learn the theory of mathematics and also gain practical ideas to use in the classroom.

Saturday, November 21, 2015

9:00am-4:00pm

(with one hour lunch break)

Family Resource Center,

4000 N. Cummings Street, Flagstaff, 86004
