## Our Programs

In partnership with Verde Valley Medical Center (VVMC) since 2005, BVCS has provided quality child care (ages 0-12) to the public and to VVMC employees at a special discounted rate. Bright Futures Child Care is a BVCS Corporate Sponsored Child Care Site proudly sponsored by VVMC.

Discovery Connection has been providing quality out of school time programs to children and youth in the Verde Valley since 2001, utilizing Howard Gardner's Multiple Intelligence Theory and BVCS's art-based curriculum integrated with After-School Standards. Programs administered at Clarkdale Jerome School and in Cottonwood at Bright Futures.

In 2010, BVCS designed and implemented Buena Vista Preschool Curriculum aligned with Arizona Early Learning Standards. Quality, age appropriate preschool programming utilizes local public school curriculum including special needs and site specific inclusion for kindergarten readiness.

"In Good Hands" Home Certification Project is a grant administered by AZ Department of Economic Security, Child Care Administration. BVCS recruits and provides technical assistance to potential as well as seasoned home child care providers in Yavapai County since 2000 and Navajo/Apache Counties since 2010.
