

STEAM

(Science, Technology, Engineering, Arts and Math)

The buzz word in K-12 education is STEM (Science, Technology, Education and Math). Young children are natural explorers and STEAM (Arts included) education starts at birth. Discover how to incorporate more STEAM in your classroom.

When: Thursday, February 18, 2016
6:00-7:30 pm

Where: Acorn Preschool
290 W. Oak Ave
Flagstaff, AZ 86001
