Northern Arizona Healthcare
Flagstaff Medical Center

Target Audience:

Primary Care Physicians, Specialty Physicians, all other interested Physicians, Advanced Practice Professionals

Upon completion of this educational activity, participants should be able to:

1. Summarize key components of Arizona's specific Mandated Reporting laws.
2. Describe how to report suspected child abuse.
3. Demonstrate knowledge of the role of Law Enforcement, DCS, Safe Child Center, Prosecution, and Victim Witness services in reporting child abuse.
4. Describe the advantages using a child advocacy center in reporting suspected child abuse.

No cost for this conference!
