TO WHOM IT MAY CONCERN,

Tuba City Regional Health Care Corporation's Diabetes Education & Clinical Nutrition and the Health Promotion/ Diabetes Prevention Program are having their 20th Annual Western Navajo Diabetes Expo on Thursday, November 9, 2017. This event will be held at St. Jude's Church from 10 a.m. to 2 p.m.

The purpose for the Diabetes Expo is diabetes prevention and education. We are inviting your program to participate by having a booth. Please inform us of the booth topic and any volunteers you have. We are also asking for a donation basket for a door prize. We are serving a healthy lunch.

Our community is collaborating together with the cooperative efforts of various programs to work toward a healthier lifestyle and to have a successful event.
