

**Learn anytime, anywhere!**  
**Arizona Early Childhood Workforce & Professional Development Registry**  
**No cost Learning Opportunities for Clock Hour Certificates**

In conjunction with *Sesame Street Communities*, the Arizona Workforce Registry now provides two interactive courses and seven online, webinar learning bundles created for early childhood educators—whether you are working in a classroom, center-based program, or family child-care setting. **These are entirely FREE and easy as 1-2-3!** These webinars are self-paced—you can start, stop, and begin again as your schedule allows. **Each course or bundle will satisfy DHS Child Care Licensing requirements for professional development training hours.**

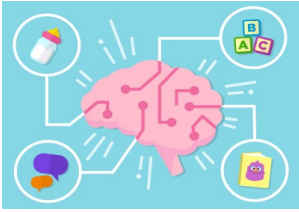

The two interactive courses contain videos, activities, and resources you can use with children and families.

Webinar bundles contain 1 – 3 videos, and all align with one of the Arizona Early Childhood Workforce Knowledge and Competencies. In addition, each bundle contains printables, videos, activities, and additional resources. You will gain valuable knowledge and develop strategies for working with families.

Below is a link to a 7-minute webinar that will show you exactly HOW to register for the *Sesame Street* courses through the Arizona Early Childhood Workforce Registry. We hope you will get started today!
