# Early Childhood Day at the Legislature

Thursday, February 21, 2019

## “But, I’m not an early childhood advocate.” Of course, you are!

Got advocacy experience? Want to GAIN advocacy experience? Either way, the **2019 Arizona Public Policy Forum on Wednesday, February 20** is **THE** place to sharpen advocacy skills and let our voices be heard by Arizona policymakers in support of young children and the early childhood education profession. Attendees are encouraged (but not required) to participate in Early Childhood Day at the Legislature on Thursday, February 21 at the State Capitol.

The early childhood workforce and families of young children are the best advocates for our cause. You are the experts who know what is most needed for Arizona’s young children and families. The early childhood field is so diverse and unique that we **need representation from every region, program type, and perspective of the early childhood workforce and families.**
