GUIDING VETERANS HOME
SINCE 1972

Supportive Services for
Veterans and Their Families

We Are:

Nation's Finest is a non-profit organization partnering with the VA through the Supportive Services for Veterans and Families (SSVF) grant.

We work with homeless and extremely low income veterans in various programs for over 40 years, now in 15 sites across California, Nevada and Arizona.

We Serve:

A **veteran**, for our program, is anyone who served in the active-duty U.S. military for at least one day and has any discharge except dishonorable or general court-martial.

We serve low-income veteran households that are either

- **Literally homeless** (staying in a shelter, tent, vehicle or anywhere other than a home), or
- **At-risk of becoming homeless**, including facing eviction or being asked to leave a friend's or relative's home, with no other options.

Helping low-income veterans and their families obtain and keep sustainable, permanent housing through case management and temporary financial assistance.

Participant Eligibility:

1) **Veteran Family:**

A single Veteran or a family (with or without dependents) in which the head of household is a Veteran.

2) **Low income:**

Less than 50% of area median income (as adjusted).

3) **Current Housing Situation:**

- Facing eviction
- Currently homeless

Services We Provide:

- **Case management.** A weekly conversation with a trained professional to help the vet identify goals, strengths, preferences and resources, leading to a plan for stable housing.
- **Temporary financial assistance.** Time-limited payments directly to a landlord, utility company or other housing-related provider on behalf of a veteran household.
