

Peer Support Doula

Are you a person with *lived experience* interested in becoming a Credentialed Peer Recovery Support Specialist and a Certified Birth Doula?

Center for Health and Recovery *formerly known as CHEEERS*

Is offering a unique opportunity to individuals in Arizona with **lived experience** to become **Credentialed as Peer Recovery Support Specialists and Certified Birth Doulas** to work with pregnant women.

This project is funded through Arizona Department of Health and is at no cost to those that receive the training. The goal is to expand availability of culturally competent maternal mental health peer support services and community-based support for families during and after pregnancy!

<p>60- hour Peer Recovery Support Credentialing Course</p> <p>Must attend both virtual and in person training 2 consecutive weeks</p> <p><i>Hotel/mileage and Per Diem will be compensated for Northern AZ and Southern AZ attendees for the in-person portion of Peer Support Training.</i></p> <p>We have 7 openings for this opportunity !
