

LET'S BUILD A STRONGER COMMUNITY, TOGETHER!

By partnering with Goodwill of Central & Northern Arizona, you bring the proven power of our online career services to your organization.

Our virtual career assistance platform, **MyCareerAdvisor.com**, grants your organization's members access to a digital employment platform with real-time access to local market employment trends and a database of ready-to-hire talent. In addition, by including a link to **MyCareerAdvisor.com** on your organization's computers, your members, patrons and staff can connect to the best place to find **no-cost resume and interview skills assistance, career navigators, job training services, local hiring events and thousands of current job postings all on one convenient site.** From live classes, events and skills training webinars to job leads, search strategies and community support, the resources found on **MyCareerAdvisor.com** are opening up opportunities for a better job, better pay and a better future. And with your partnership, the result will be an even more robust Arizona economy with an empowered workforce.

OUR VISION

Our vision is ending poverty through the power of work. Through our partnership with organizations like yours, all Arizonans will have the opportunity to learn, work and achieve their greatest potential. **Let's get to work.**

Goodwill offers exclusive benefits and opportunities to our partners including:

- Access to our Mission Services team's unique expertise in supporting your hiring initiatives.
- Access to thousands of qualified candidates, many gaining technical skills from our digital skills courses.
- Goodwill's Employer Connect platform, offering candidates a direct connection to your job postings.
- Coursera and NorthStar certifications to support a more qualified workforce.
- Increased visibility with Goodwill's consistent social media presence and email marketing strategies.
- Access to highly attended hiring events.

**Please contact our Mission Services team
